## Planning for Your Pets

You no longer have to worry about what will happen to your pets after you are gone. **HALO can be there to help them during a stressful time.**

Caring for your pet and finding them a loving home in the event that you predecease them is our way of thanking you for choosing to leave a legacy of love for homeless animals in our community. The Friends Forever program is available to those who have chosen a bequest for HALO Animal Rescue of \$10,000 or more.

Thank you so much for your help saving homeless dogs and cats in our community. If you would like to protect the future of your beloved pet(s) through this program, please give us a call or email us. We would be happy to answer your questions and send you the application.

## Quality Care

If they need their shots updated, a nail trim, or a nice bath, we will take care of it. Our staff and volunteers are sensitive to the stress of losing their owner and being in a new place, and **they will be given lots of love as they are prepared for adoption.**

## A Great New Home

HALO's trained adoption counselors will match your pet with the right home and will counsel the family about your pet's needs. Newly adopted pets see that the future is bright and are so happy to be loved as part of a family.
