YOU HELPED GIVE HOPE THE SAFETY AND CARE SHE NEEDED

After surviving the car accident that killed her owner, Hope found shelter, fought off illness, and raised her puppies with your support

Hope's story is about resilience, and we are so glad that you have been a part of it. Hope, a three-year-old Yorkie mix, survived the death of her owner, overcame illness, and gave birth to three beautiful puppies. None of it would have been possible without your generosity.

Sadly, Hope's owner was killed in a hit and run accident when she was taking Hope for a walk. Hope was scared and alone. She ran away from the accident. Days later, a Good Samaritan found Hope and brought her to HALO Animal Rescue. Hope was dehydrated, exhausted, and covered in ticks.

Because of the support of kind people like you, HALO was able to take in Hope right way. She was bathed and groomed. Bloodwork showed Hope had tick fever, so she was given medicine and sent to a foster home to heal. Then the foster parent noticed Hope was getting bigger and bigger. It turned out that Hope was pregnant all along!

Because of the support of kind people like you, HALO was able to take in Hope right way.

Your gifts to HALO meant Hope was able to raise her babies in a safe foster home. When the whole family was ready, they were spayed and neutered. Hope and her puppies quickly found homes.

« Hope's adopter was so excited to welcome her into the family. You made Hope's new life possible.

PURINA HELPS SHELTER PETS THRIVE

Purina donates Purina One pet food and Tidy Cats litter to help shelter pets like Ellen

HALO is proud to be a Purina Shelter Champions Partner. Through their donations, Purina makes sure that our animals always have the good nutrition they need. Plus, their Tidy Cats litter helps us provide clean litter boxes for our feline friends. We couldn't be more thankful for Purina's support!

Ellen, a small gray kitten, is one of the pets helped by supporters like you and Purina. Ellen came to HALO after she was found abandoned in a backyard. Ellen was far too small and young to be adopted, but she loved her Purina wet food from the moment she saw it. Thanks to Purina, Ellen grew big and healthy, learned to trust people, and found her forever home.

Thanks to Purina, Ellen grew big and healthy, learned to trust people, and found her forever home.

WILL YOU LEAVE THE WORLD A BETTER PLACE?

Pets give us so much love and joy, while asking little in exchange. One way you can return their love is by including HALO Animal Rescue in your will. Leaving a legacy gift is a unique way to ensure that homeless cats and dogs will be safe and cared for even after you're gone.

Not sure how to get started?

ADOPTERS SAY “THANK YOU” FOR SAVING DOG WHO CHANGED THEIR LIVES

A local news story helped Dante find a forever home and a grateful family

Dear HALO,

Dante came into our lives last July by happenstance. Our family had gotten up early on a Saturday morning to do some yardwork before the temperature got too hot. As I sat to have a cup of coffee, I turned on the morning news and saw this sweet boy that touched my heart. I scrambled to get my phone and snapped a couple of pictures so that I could show the rest of the family. Having lost our beloved 10-year-old Rhodesian Ridgeback to cancer a few months before, we’d sworn off pets for a while so that our hearts could mend.

As soon as I told my husband about Dante, he told me to go meet him before we told our twin boys about him. He was a big dog, a Doberman Pinscher. On meeting him, he had a sweet disposition. To us, he was small compared to our Ridgeback.

When my husband arrived with the boys for their first meeting, Dante was very friendly, whole body wagging with joy. He won us all over and we took him home.

Ever since we brought him home, he has been an integral part of our family. We taught him to go on walks and enrolled him in pet handling classes. He learned to get in and out of the car for car rides. He likes to hike with us, go camping and fishing, and he loves to go to the dog park. His extended family includes a loving grandma who has two King Charles Spaniels with whom he occasionally spends the night as part of an extended pack.

More than anything, he loves to be with us and we love to have him around. He adores his twin boys and they love him. He has forged a unique relationship with each one of us. We feel very fortunate that we found him and he found us.

Thank you, HALO Animal Rescue, and thank you PetSmart Charities and ABC15 for the work that you do to help homeless pets. By helping pets find homes, you are helping families like us find love and companionship again.

Thank you,

Dante’s Mom

“By helping pets find homes, you are helping families like us find love and companionship again.”

Letter from the President

TOGETHER WE ARE MAKING LIVES BRIGHTER EVERY DAY

Dear Friends,

It has been a year since we moved into our new location and we could not be happier! Not only does HALO continue to work with the leaders in Phoenix's animal welfare system to address local needs, we have formed

additional partnerships in several neighboring states and even Mexico. These relationships are giving dogs and cats from these areas a chance at a new life. Our new headquarters has touched the lives of 1,200 cats and 3,500 dogs in the last year, and it's all thanks to the support of our friends like you! There are days that feel completely overwhelming when we turn on the TV or scroll through social media sites, leaving a feeling of helplessness while sparking a desire to do something to make a difference. At HALO, we are honored to carry out the work, to be doing that something, every day, that truly makes lives brighter. We will never take for granted the fact that we are able to do this important work because we have the support of those who value pets like we do and provide us with the resources necessary to continue saving lives every day.

With gratitude,

Heather Allen
President and CEO

We'd like to offer a
**HEARTFELT
THANKS**
to the wonderful
organizations that
help support
HALO's animals!

OUR LIFESAVING WORK IS
PROUDLY SUPPORTED BY:

YOU SAVED DODGER FROM LIVING WITH A CRUSHED LEG

HALO supporters gave Dodger the medical care he desperately needed and then found him a home

Dodger came to HALO from Pinal County Animal Care and Control with a broken leg. Your support meant he got pain medication, a splint, and x-rays right away. If only you could have met him. Despite his pain Dodger would have run right up to you and rolled over at your feet for belly rubs!

X-rays showed that Dodger's injuries were old. His leg bones were shattered. The break would not heal well. We decided it would be best to amputate his leg.

Thanks to you, Dodger had a quick, safe, and successful surgery. He got supportive aftercare. Then, most importantly, he found a family. Now Dodger is happy, healthy, and pain free. His new family loves him dearly.

Dodger had a quick, safe, and successful surgery. He got supportive aftercare. ...most importantly, he found a family.

HALO PARTNERS WITH SHELTERS ACROSS THE SOUTHWEST

With animal welfare conditions improving in Maricopa County, HALO reaches out to neighbors in need

Because of the support of people like you, Maricopa County is a safer place for pets! In 2017, 87% of the pets that entered animal shelters in Maricopa County left alive. This year is shaping up to be even better.

With fewer pets in desperate need in Maricopa County, HALO has started helping underserved communities across Arizona, California, New Mexico, Texas, and Mexico.

Funded in part by a \$95,000 grant from the Petco Foundation, HALO now has three pet transport vehicles. HALO's transport program picks up animals from Pima Animal Care Center, Pinal County Animal Control, Barb's Dog Rescue in Rocky Point, Mexico, and more. A partnership with the ASPCA's transport program also allows HALO to accept animals from shelters in California and Texas.

Maya was in the care of an overcrowded shelter in New Mexico for six weeks before coming to HALO Animal Rescue. Your support helped Maya find her forever home in Arizona in just three days.

DOG WALKING ON TWO LEGS HAS THIRD LEG REPAIRED

Joint surgery sponsored by compassionate animal lovers restored Odin's gait

Odin had a happy way of hopping. Using his two good legs—one in the front and one in the back—Odin would surely hop right into your heart. We're so thankful you helped heal one of Odin's bad legs.

Odin was born with no paw on one of his front legs, and one of his back legs had terrible joints. When Odin came to HALO from Maricopa County Animal Care and Control, he was only using his two good legs.

Thanks to generous donors like you, Odin got the surgery he needed. Now, he is walking on three legs!

Odin was in HALO's care for six months. During that time, he had two surgeries and spent lots of time on kennel rest. When Odin was well enough for adoption, he quickly found his forever home.

Your donations made Odin's treatment possible. The cost of his surgeries never could have been covered by his adoption fee alone. Your donations filled the gap, giving Odin the care and the home he deserved.

YOUR GENEROUS AID PLACES PETS IN HOMES

For pets like Juliett and Rusty, your gifts are the difference between life on the street and life in a home

HALO found homes for 1,763 pets in the first six months of 2018.

When Juliett came to HALO from Maricopa County Animal Care and Control, her fur was dirty and overgrown. She had painful dental disease. Your support gave her a bath, a dental cleaning, and spay surgery. She felt like a whole new dog! Then we found her a home with a mom and two kids that just LOVE her!

HALO found homes for 1,325 dogs like Juliett.

Two-month-old Rusty was brought to HALO Animal Rescue as a stray with a broken leg and whiskered into surgery. Unfortunately, the broken bone was infected beyond repair, and Rusty's leg was amputated. The support of people like you saved Rusty's life. He quickly adjusted to life on three legs and found his forever home in no time.

HALO found homes for 438 cats like Rusty.
